

# Safety and Mission Success Review (SMSR) Workshop

## Outbriefing

# SMSR Workshop Outbriefing

- Clarify intent and content for the SMSR
- The Centers will review internal prep processes for SMSR
  - Identify current risk documentation for dual use in SMSR
  - Review internal processes for improvements to build into SMSR
- Clarify need for SMSRs at milestone reviews/key decision points (KDPs)
  - If we do have a SMSR for interim milestones in the program's life cycle it reduces the package for the Pre-FRR SMSR
  - Need for milestone SMSRs increase with Agency Program Management Council (PMC) KDPs
- Action to OCE and Len Sirota to identify differences in OCE and SMA needs and work to incorporate these needs.
  - Document the outcome of this effort
